SHARED LIBRARY MAILINGS TIMETABLE

28 May 2012 - 19 November 2012

www.eurolibraries.com

Summary of our Library Mailing Service:

- We help you to select those libraries most likely to purchase your products or services.
- We then direct mail your chosen selection of libraries with your promotional literature.
- We target named subject librarians and information specialists.
- We print addresses directly onto our envelopes for fulfilment and dispatch.
- All response goes back to you - mostly via a library supplier.
- We offer free informal help on the essentials of successful selling to libraries.
- **Shared & Solus** mailings available:
 - ❖ **Shared** mailings (**shown in this timetable**) go out very economically across the UK and/or continental Europe, on a year-round schedule. Each mailing has up to 3 publishers involved.
 - ❖ **Solus** mailings go out on a date of your choice, to your tailored selection of libraries.

Shared Mailing Prices (as shown in this timetable):

Prices include printing and provision of envelopes, fulfilment of inserts and postage up to 30g for both A5 and A4 size material.

Paper Size (A)	Envelope Size (C)
A5 (148 x 210mm)	C5 (162 x 229mm)
A4 (210 x 297mm)	C4 (229 x 324mm)

If the combined weight of your material is over 30g, extra postage will be charged depending upon size and weight of material.

About Us:

The European Database of Libraries was founded in 1989 by Alan Armstrong.

The Database was then built country by country whilst being used by customers during the development period. The Database has further developed over the last 23 years and continues to expand with accuracy.

The company is based in a country house set within the Hambleden valley in the heart of the Chilterns.

The European Database of Libraries has not changed ownership since it was created and has retained all the original staff, accountants and bankers. The company has remained profitable each year since its conception.

Company Registration Number 3396417GB
VAT Number GB 578169588
